Directions Headlines

Issue 15

July 2012

Celebrating the success of our clients!

On Thursday, June 21 over 200 former clients, clients and community stakeholders joined the Directions for Immigrants team, Bow Valley College and our funders the Government of Alberta and the Government of Canada to celebrate the career successes of our clients. The event was to honour our clients who are working in their profession and the over 600 engineers, geoscientists, nurses, international medical graduates, pharmacists and medical laboratory technologists who have passed a licensing exam.

Let the images speak for themselves.
